

Thank you for your support and partnership to keep our communities & families safe.

Together, we can overcome Covid-19.

Dear MASTERKEY LOCKSMITHS CC,

I hope this email finds you well.

In this business-unusual time that we all find ourselves in, I wanted to reach out to extend my sincere thanks to you and your team for your ongoing supply support. We fully appreciate your partnership in ensuring continuity of our business operations, so that we can keep the daily supply of products available to our communities.

The rapidly growing COVID-19 pandemic has prompted a demand in products, causing an increase in the level of supply, and therefore, increased pressure in delivering goods to all South Africans. I must commend you on your sturdy support, particularly during this lockdown period.

Your resilience and understanding during this time is invaluable and we thank you again for your commitment. Let's continue to work together for delivery of essential products.

Best regards,
